

A Free Bird Cafe 2015

A Free Bird fervently engages in any positive opportunity to support our precious pediatric cancer patients. Therefore, we are proud to announce the upcoming launch of **A Free Bird Café!** Due to the generosity of **Manhattan By Sail (New York)**, we were donated a 10'x8'x10' structure in April 2015. Not only would we be the first self-sustaining non-profit organization to have our own café, but we would be the first vegan friendly, non-profit organization with a café in Brooklyn.

Want to empower each bird to fly free?

Become a sponsor: All proceeds of the café will help brighten the day of a child battling such a debilitating disease. Every three days for the past three years, **A Free Bird** helped one child. However, with your help, and through the function of this cafe, the Programs Department will be able to purchase enough art supplies and musical instruments that could help **five children, every day.**

Donate: As a health conscious organization, you are more than welcome to donate vegan, organic, gluten-free, non-GMO products; or non-toxic utensils.

Become a vendor: Rent a shelf, and sell product(s) from your company!
